## GOVERNMENT BOTANIC GARDENS, LAL-BAGH, BANGALORE.

IMPORTATION OF FRUIT-PLANTS FROM AUSTRALIA.

*Dated 6th January* 1931.

1. Arrangements are made as usual to import fruit plants from Australia. Those who desire to order for plants are requested to apply to the undersigned before the end of February 1931. The list of plants usually imported may be had on application.

2. This office will not be responsible for the condition of plants or for their results, though every possible care is taken to import reliable plants.

3. The plants are expected to arrive in the month of July or August 1931.

4. The full value of the plants required, together with 50 per cent of the cost of plants towards freight, duty, etc., should accompany the order for plants.

5. The name and address, as also the Railway Station to which the consignment has to be sent should be clearly stated.

6. Any other information required can be had from this office.

H. C. JAVARAYA,
Offg. *Director of Horticulture.*

## MYSORE DIVISION.

*Dated 20th January* 1931.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 2 P.M., 3rd February 1931, for maintainance work to Tippur Major Tank, Mandya Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1931.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore, between office hours.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees (100) one hundred only in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for maintainance work to Tippur Major Tank, Mandya Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The tendered rates will not be enhanced on any account.

10. Rates should be clearly quoted both in figures and words.

11. L. S. Rates at per cent below or above sanction will be rejected.
